Shopping for clothes and/or shoes over the summer? Please keep in mind that we do not allow flip-flops and/or sandals at school.

If your child is unable to tie his/her own shoes, please select slip-on or velcro shoes (no laces).

Please label your child's beach towel, backpack, and water bottle with his/her first & last name.

For all other supplies, you don't need to label individual items, as they will be used "community style" throughout the school year. Please bring supplies to our "popsicles with the staff" event the week before school starts or on the 1st day your child attends.

# First Grade School Supplies

Dear Parents,

Welcome to an exciting year in first grade! The following supplies will be helpful for your child. Other than tissues, Band-aids and pencils, the supplies will be kept for your child's personal use. **Please label all supplies with your child's name.** For the binder and folders please write on the inside cover. In some cases we have recommended a certain type or brand name **because we have found these brands to work far better than the alternatives.** Please restrict your child to boxes of **24 crayons**; more than this is difficult for a first grader to manage in a school setting. Where we have requested more than one of the same item, such as crayons, one will be saved for the second half of the year. We appreciate your cooperation and support, and look forward to an exciting first grade year.

Thank you!

Mrs. Cartier and Mrs. Ruit
