---

For your dental claim to be processed, the most recent reimbursement form must be completely filled out with a paid receipt for services attached to the back (one form for each family member). If you are submitting claims for more than one family member, but all payments are on the same receipt, please make a copy of the receipt and attach to each claim form.

Covered expenses included two cleanings and one set of x-rays per year. Bleaching and veneers will not be covered. The maximum for orthodontics is \$1,000 per year. The maximum for implants will be \$1,500.

The first \$600 in claims for each family member will be reimbursed as the claims are received following the schedule below. For all balances over the \$600, the prorated payout will take place in late August of 2023. You may submit up to \$2,500 per family member for services from July 1, 2024 through June 30, 2025. Of the \$2,500 submitted, up to \$1,000.00 of it may be for orthodontics for each individual.

All reimbursements will be paid through payroll.
