

Avondale Middle School Student Council

Membership in the Student Advisory Council (SAC) group gives students the opportunity to become more involved in both their school and community. Bi-weekly meetings provide an open forum for discussion of ideas for school improvement and allows students to have input into the school process. Members plan and coordinate various activities through the year such as dances, spirit days, and charity drives. Representatives are selected through an application and interview process.

Meetings are every other Friday at 7:15 am in Room 303.
